# CONVERGE ON GLOBAL CYBERSECURITY

## LISTEN TO THE VOICE OF BEIJING

2025 BEIJING  
CYBER SECURITY  
CONFERENCE

**Strategy**, our plan of action designed to achieve a long term or overall aim, a blueprint guides the industry.

**Industry**, our aim of implementation drawn to meet up industry's challenges.

**Technology**, our objective of application mapped out to empower the ability to win.

BCS 2025 will continue to focus on Strategy, Industry, and Technology, where the future of cyber-security leads us, what the cyber-governance on a global scale directs us, and how the industry's newest and latest meets and to zero in on innovations and skills.

# STRATEGIC SUMMIT

“ International Platform to Promote and Facilitate More Constructive Dialogue to Build a Healthy Cyberspace Community ”

“Strategic planning is worthless – unless there is first a strategic vision.”—John Naisbitt

BCS 2025 Strategic Summit, we build an international platform, and we invite visionary leaders, policy makers, industry influencers, innovative entrepreneurs, to share their visions and facilitate a constructive dialogue on how we can build a safer cyber habitat, where we can accept who we are, where we can contribute our efforts, and where we can collaborate. Coming together, we become stronger.

## AMONG THE PREVIOUS SPEAKERS AT BCS STRATEGY SUMMITS

**Junhua Li**

Under-Secretary-General  
for Economic and Social  
Affairs, United Nations

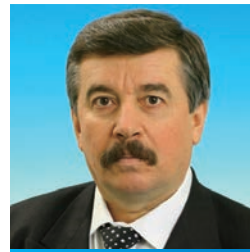

**Ehud Barak**

Former Prime Minister  
of The State of Israel

**Yukio Hatoyama**

Former Prime Minister of  
Japan

**Sergey Shakhrai**

Former Deputy Prime  
Minister of Russia

**Peter Major**

Chairman of the United  
Nations Commission on  
Science and Technology for  
Development

**Eugene Kaspersky**

Founder and CEO of  
Kaspersky Lab

**Keith B. Alexander**

Former Head of National  
Security Agency, The first  
Commander  
of the US Cyber Command

**Dr. Haider Abbas**

Director General, National  
Cyber Emergency Response  
Team, Government of  
Pakistan

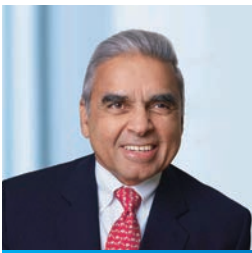

**Ahmed Abdel-Hafez**

Chair of the Executive  
Bureau of The Egyptian  
Supreme Cybersecurity  
Council

**Stephen A. Orlins**

President of the National  
Committee on United  
States-China Relations

**Kishore Mahbubani**

Former Dean of Lee Kuan Yew  
School of Public Policy, National  
University of Singapore, Former  
Singapore Ambassador to the  
United Nations

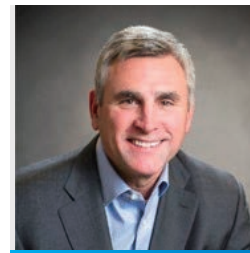

**Thomas Ridge**

The first Secretary of US  
Department of Homeland  
Security after "911" and former  
governor of Pennsylvania

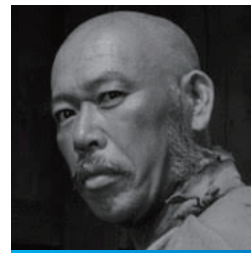

**Frederick B. Cohen**

Father of Computer Virus

**John Allan Davis**

Former Major General of  
U.S. Army, Vice President of  
Palo Alto

**Thaddeus.e.grugq**

Cybersecurity Expert

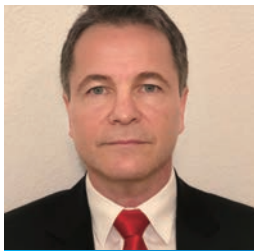

# INDUSTRY SUMMIT

## Global Cybersecurity Industry Development and Innovation Platform

The cybersecurity industry's vigorous growth is the foundation for a country to build its cybersecurity capacity. Cybersecurity enterprises are the most active and vital components in the cyber industry in terms of technological innovation, new business, service models, and talent pools. BCS 2025 Industry Summit invite both well-known representatives of the cybersecurity enterprise, and experts from information technology enterprises, software services suppliers and consulting agencies, to discuss the industry's development direction.

## AMONG THE PREVIOUS SPEAKERS AT BCS INDUSTRY SUMMITS

**Flavio Aggio**

CISO, World Health Organization (WHO)

**Timothy Lee**

CISO at the City of Los Angeles

**Nir Zuk**

Founder and CTO of Palo Alto Networks

**Neil MacDonald**

Distinguished VP Analyst of Gartner

**Leendert van Doorn**

Vice President of Microsoft Azure

**Wendy Nather**

Head of Advisory CISOs, CISCO

**John Kindervag**

Former Palo Alto Networks Field CTO

**Michael Daniel**

CEO, Cyber Threat Alliance

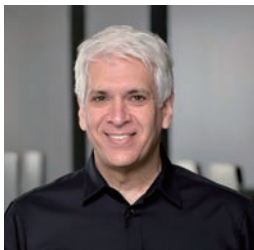

**Frederic Giron**

VP, Senior Research Director, Forrester Research

**Laura Koetzle**

Vice President & Group Research Director of Forrester

**Ira Winkler**

Former Chief Security Architect of Walmart

**Ashok Banerjee**

Former Vice President of VMware

**Judd William**

CIO of NCAA

**Panshi Jin**

CIO, China Construction Bank

**Benli Hu**

Former CTO of the World Bank and Chairman of DAMA China

# TECHNOLOGY SUMMIT

// The Top Cybersecurity Forward-looking Technology Innovation Sharing Platform //

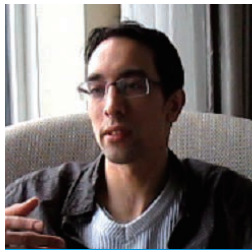

The advancements in cybersecurity technology are the sign of cybersecurity's capacity significance. BCS 2025 will continue to have world's top cybersecurity experts to present the industry's forward-looking research. The topics cover the the tracks in Cloud Native, Big Data, AI, Internet of Things, Blockchain, DevOps, Open Source governance.

## AMONG THE PREVIOUS SPEAKERS AT BCS TECHNOLOGY SUMMITS

**Marcus Hutchins**

Senior Threat Intelligence Analyst & Malware Researcher of Kryptos Logic, WannaCry Cracker

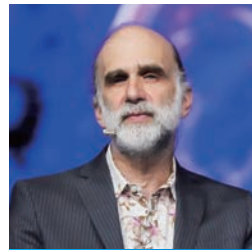

**Benjamin Mejri**

International Legendary Hacker, Top Global Security Expert

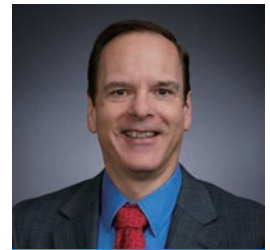

**Isaac Ben-Israel**

The Head of the Blavatnik Interdisciplinary Cyber Research Center of Tel-Aviv University

**Bruce Scheier**

Security Technologist, Researcher, and Lecturer, Harvard Kennedy School

**David S.Ebert**

Deputy-Chancellors & Chair Professor of University of Oklahoma

**Dr. Altaf Ur Rehman**

Executive Director of the National Cyber Emergency Response Team (National CERT), Pakistan

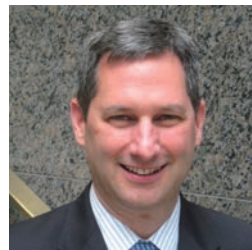

**Brian Gorenc**

Organizer of Pwn2Own

**Chris Gibson**

Executive Director, FIRST

**Thomas Quillin**

Director of Global Security Policy at Intel Corporation

**Junlong CHEN**

Foreign Member of the Academia Europaea, Member of the European Academy of Sciences and Arts

**Ronghui Gu**

Professor of Computer Science, Columbia University, Co-founder of CertiK

**Guangnan Ni**

Member of Chinese Academy of Engineering

**Binxing Fang**

Member of Chinese Academy of Engineering

**Wen GAO**

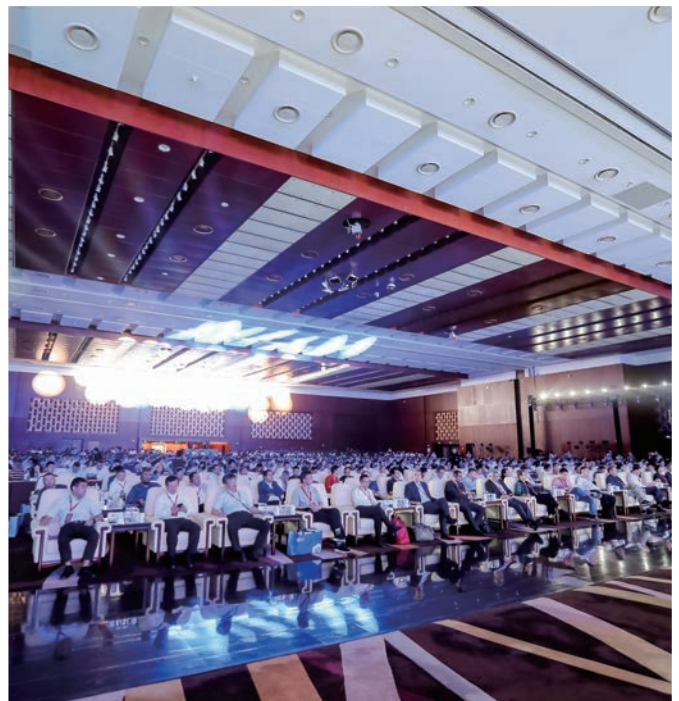

Member of Chinese Academy of Engineering

**Changjun JIANG**

Member of Chinese Academy of Engineering

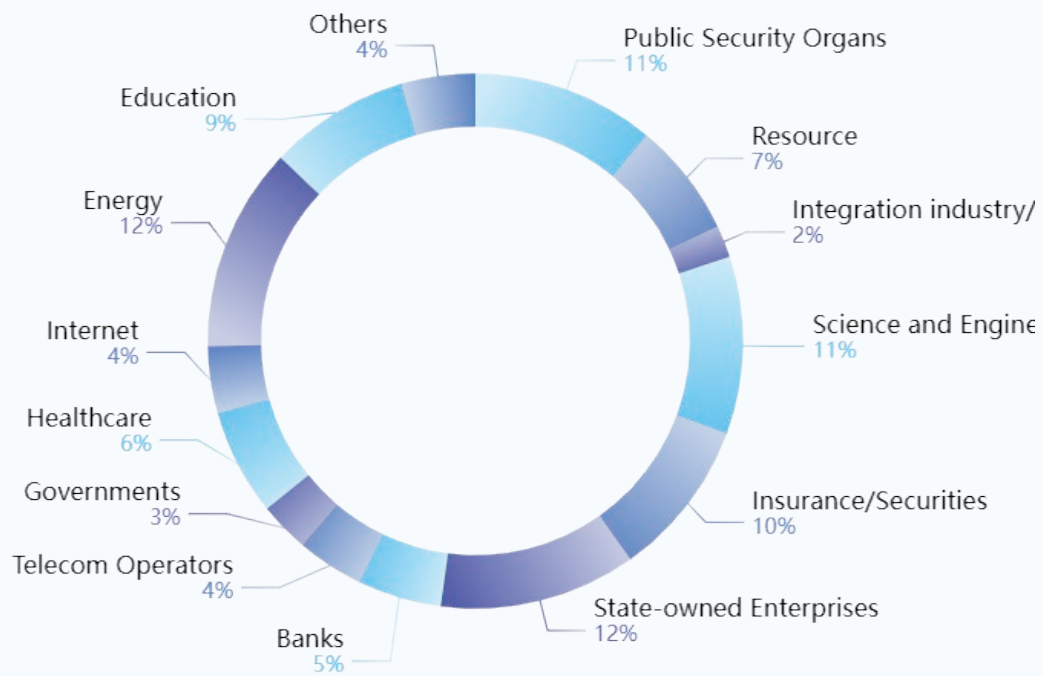

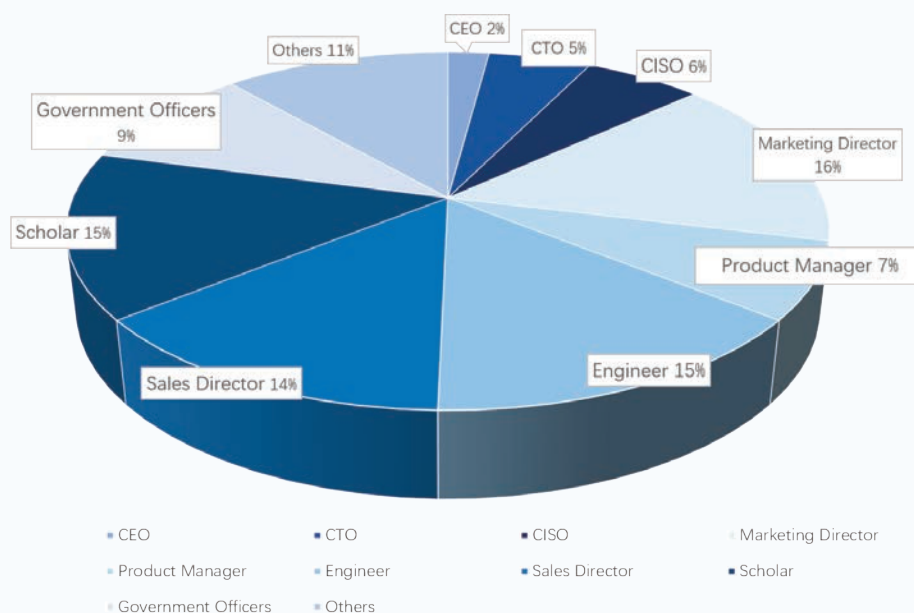

# VISITORS' PROFILE

## Industry Analysis

## Occupation Analysis

# Why BCS?

## Anticipate

Explore the latest societal, technological, and environmental megatrends, and foresee the impact of digitalization.

## Innovate

Uncover emerging technologies and solutions, and learn how to leverage them to combat cyber threats.

## Together

Strengthen your organization's security posture by learning from the exemplary practices of advanced peers.

## Lead

Guided by this year's focus topic, leaders are pioneering the way in setting new trends.

## Community

A unique networking platform for the global cyber ecosystem.
